G.O.Ms/1200 Rev 25-5-35 (R) Board's Ref. M. 3489/35-1 dated 18th May 1935.

--

The test work at Nadangam in Hatchelli firka of Siruguppa Taluk was started on 27-5-35. The number of workers has gone ~~xxxxx~~ over 1,000, the latest attendance being 1,071 on 6-6-35. I inspected this work on the 7th instant and I am convinced that there is real distress in this area. This being a black soil tract, the agricultural operations are not likely to commence till the end of August 1935. I therefore recommend that this work may be converted into a relief work under section 53 of the Code.

2. Labourers attend this work from the villages mentioned below:-

	Village.	Taluk.
1.	Harivanam	Adoni
2.	Santhakudlur	Adoni
3.	Venkatapur	Siruguppa
